A little space -- a few words -- but crowded into them are all the esteem and pride we, the students feel for you -- our 1947 football team. Within the conventional 'Congratulations' and 'Thank you' are couched our whole-hearted admiration and 'Thank you' are couched our whole-hearted admiration and sincere gratitude.

# 1948 Buckaroos

Sportwriters throughout Texas often refer to the Buckaroos as a well-coached eleven, and we on School Hill agree wholeheartedly. Good coaching and winning teams have made football the hub of student activity. Coach Cooper Robbins, during his three years here, has won the esteem of the townspeople, the students, and 'his boys'. By his personal interest in each player, Assistant Coach Carl Cook has become a favorite in high school. W. B. McDowell, the B-Squad mentor, has trained his boys that they may carry on the traditions of the Buckaroos in years to come.

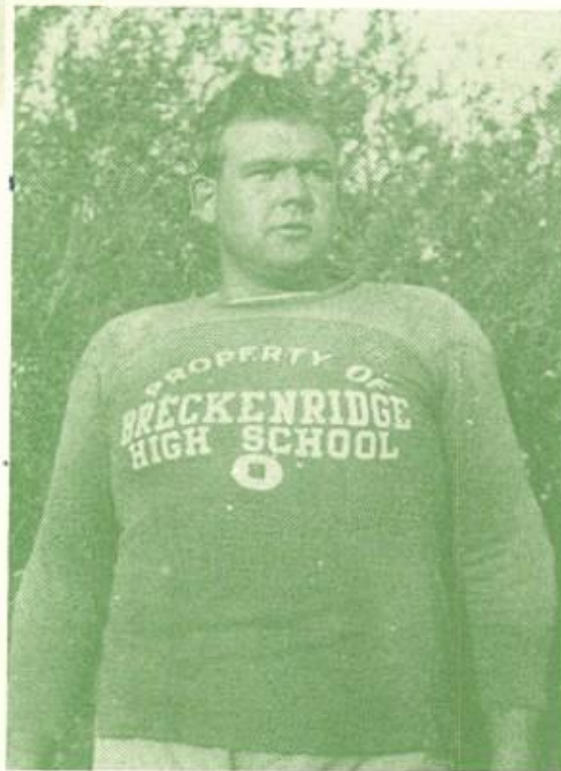

COOPER ROBBINS

CARL COOK

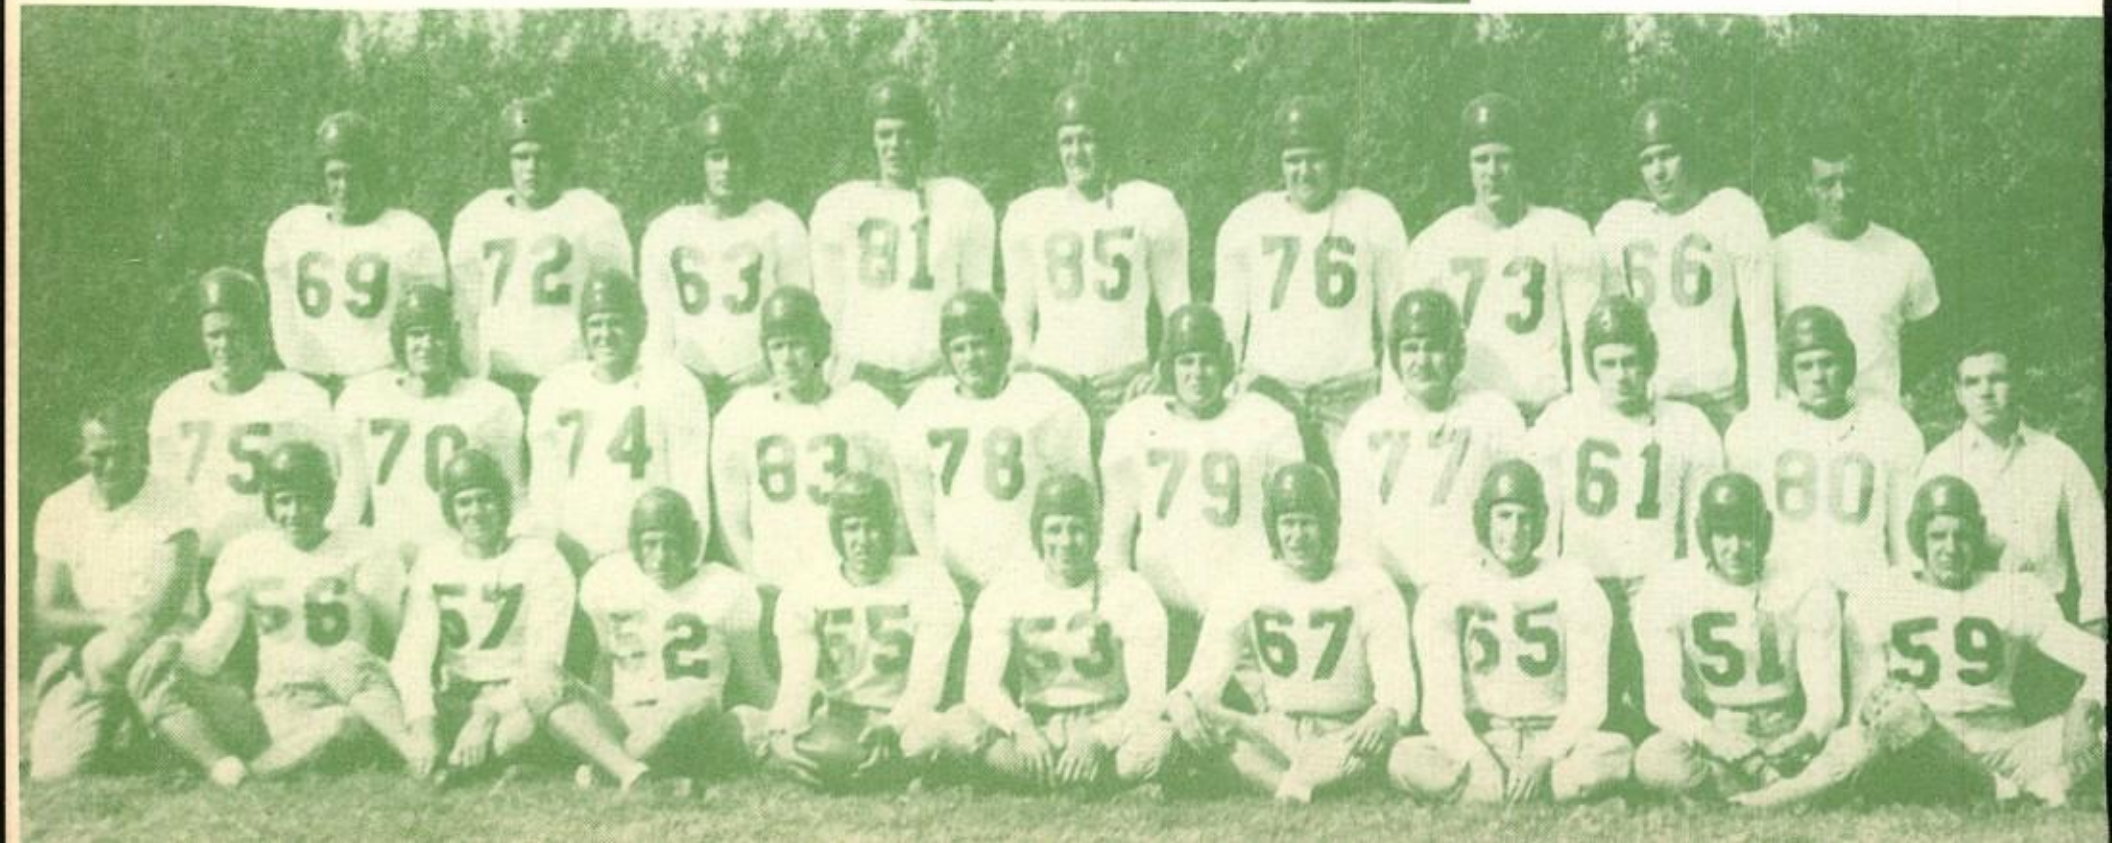

Yes, our team and coaches deserve endless praise; for the 1947 season proved to be one of the greatest in Breck Hi football history. Despite a mid-season slump, the Buckaroos advanced to quarter-final play and ended the season with eight victories, two ties, and only two defeats on record. These boys will always be remembered for their ceaseless efforts on the practice field, their fighting spirit on the gridiron, and their fine high standards in every day life.

# All-State

Near the end of the season came the news that two Buckaroos had been named on the All-state elevens. Jimmy Spencer, outstanding right end, was a unanimous choice for the Associated Press's first team and was also named on Dub King's second eleven in the 'Fort Worth Star-Telegram.' Ray Gene 'Doodie' Dodds made the fourth team. Big Jim Gray, James Allen, and Jack Jones won honorable mention.

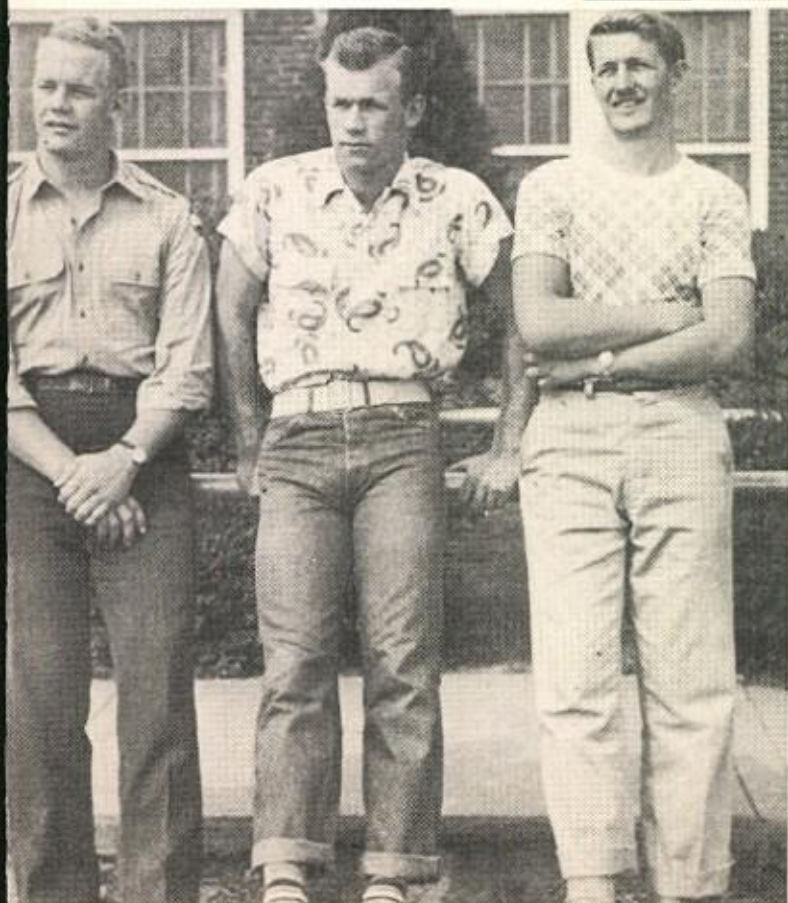

JIMMY SPENCER

These boys were renowned for hard tackling, vicious blocking, and all-round field ability. To each we say 'congratulations' for a job well-done and 'good luck' in your future football careers.

RAY GENE 'DOODIE' DODDS

*Best of luck in everything.

# All-District

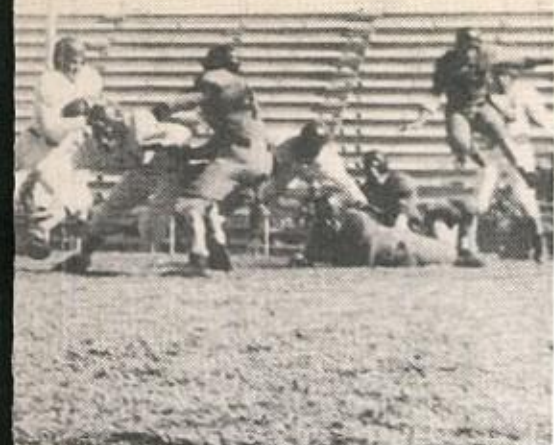

Four of our Buckaroos placed on the mythical 9AA All-District Team, and six received honorable mention. Each boy was so named because of his outstanding performances during the 1947 Season.

Jimmy Spencer made the first team. Ray Gene Dodds, James Allen, and Marvin Newberry were named on the second team. Jimmy Payne, Jack Jones, Joe Mehaffey, Edward Allen, Harley Rodgers, and Harry Dean were named honorable mentions.

## THE ABILENE GAME

In one of the most exciting games in B. H. S. history, the spirited Bucks fought a well-trained and determined Abilene eleven to a 6-6 tie in Fair Park Stadium. Despite an underdog rating the Buckaroos held their own with Pete Shotwell's Eagles while 10,000 fans witnessed one of the oldest and most famous rivalries in the state. Scoring honor for the Bucks went to Marvin Newberry, and Jimmy Spencer's excellent punting was one of the highlights of the game.

## THE PASCHAL GAME

Old Breck Hi displayed a potent football team when the Green and White teamed the Paschal Panthers to a decisive 25-12 score. The Fort Worth boys are never a serious threat as the Bucks dominated all four quarters of play on their home field. Two special thrills were Pat Thompson's pass interception and a 45-yard touchdown run and Dale Witcher's brilliant yard jaunt to the end zone.

## THE WICHITA FALLS GAME

The Buckaroos visited the Coyotes in Wichita Falls only to be entertained by the way of a 21-0 defeat. The Bucks were not the perfect guests, for their rugged and vicious tackling would not be welcomed by any team. 13,500 spectators witnessed a ball game far more thrilling than the score indicates as the Bucks battled one of the state's greatest teams.

## THE GRAHAM GAME

After dropping the Wichita game the fighting Bucks journeyed to Graham a week later with renewed determination. Such determination paid off as Breckenridge won handily, 19-0. The Steers at no time displayed the versatility that the Buckies did, and football followers over Texas began to speak of the Bucks as 'play-off' material. The injury of Cooper Robbins, Jr. was the only dark spot of the game.

## THE STEPHENVILLE GAME

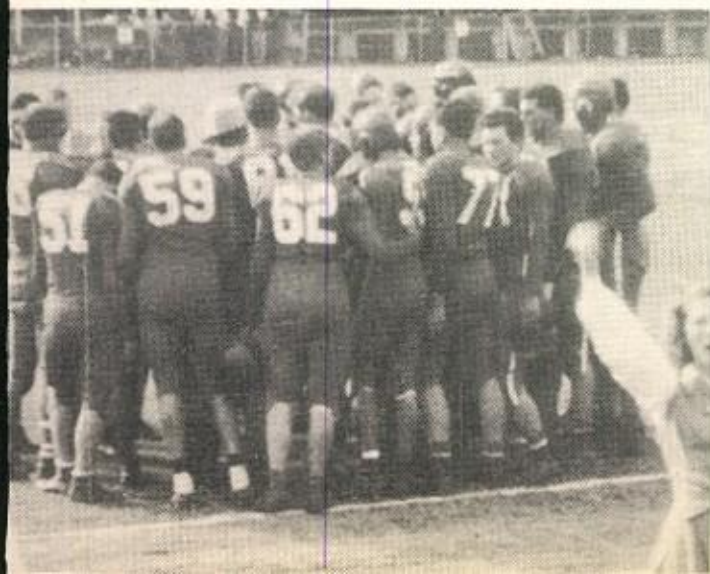

The Breck Hi boys zoomed past the Stephenville Yellow Jackets 41 to 6 in their first 9 AA game. Buckaroo Stadium was the scene of flying red rags as a total of 19 penalties were assessed against the two teams. Ray 'Doodie' Dodds was a stand-out on offense for the Bucks and Jimmy Spencer retained his excellent punting record. They and their teammates were complete masters for the evening.

## THE RANGER GAME

Old man weather restricted the Buckaroos when they clashed with Ranger amid a downpour of rain in Breckenridge. The slimy ball made it hard to hold and fumbles were frequent. The Bulldogs lost more ground than they gained, and Newberry's two touchdowns brought the Bucks a 13-0 victory. The old Buckie line deserves special mention for its bang-up playing on a muddy field.

## THE WEATHERFORD GAME

Spectators left Kangaroo Field in a stunned and thoroughly upset condition when the Weatherford eleven edged by the Buckaroos, 25-20. This was the case that happens only in football, for certainly B. H. S. should have been the victor. What happened to the Bucks or what caused this loss can only be called 'just one of those things'. In the words of one sobbing supporter -- 'We all let down on the job. The boys can't do it all; neither can the fans. Now we must profit by our mistakes.'

The team talks over the prospects of winning the  
Quarter Final game against Longview.

A word to the wise is sufficient.

**THE MINERAL WELLS GAME.** The ever-fighting Bucks visited Mountaineer Stadium only to return home with a 2-0 win over Mineral Wells and a bright shinny crown as Kings of District 9AA. Playing in a steady drizzle and on a sticky field, Coach Robbins' illustrious proteges sewed up the championship when Jimmy Spencer and Arkansas Allen smeared Duane Grisset behind his own goal. Yes, the boys in green were at their peak as they avenged a past defeat and proved that they were one of the state's leading elevens.

**THE CISCO GAME.** Breckenridge's big Buckaroos mixed aerial trickery with ground power to smother the Cisco Lobos 35 to 6 on Thanksgiving Day. Newberry, Spencer, and Jones did the actual scoring while each of the boys on the team played an outstanding ball game. Again thousands of fans left Buckaroo Field with renewed confidence in the athletes of Old Breck High. All eyes turned to Corsicana, and with these glances went samples of the never-stop-fighting spirit that filled the halls of B. H. S.

**THE LONGVIEW GAME.** Two outstanding defensive teams clashed in Longview in a 0-0 Quarter-finals game when the Bucks and Lobos met. Despite a wide edge in statistics the 'Powder River' Buckaroos did not win since the Lobos had gained one penetration. Oddly enough, this penetration was made on the opening play as the two green and white teams collided. The Bucks played great football, but Luck would not smile and give them the 4 yards needed to cross Longview's 20. Fans had no complaints against the Buckaroos, for already they had brought glory to B. H. S. This '4 yard' loss was stacked away with the students' unhappy and unlucky memories of an all-round great football season.

The sneak that made Spencer famous.

# Football

**THE BROWNWOOD GAME.** On Armistice Day the Buckaroos surprised everyone, that is, except the Bucks and their loyal supporters. Despondent over the loss to Weatherford, the determined Buckies knocked the undefeated Lions off the top rung in the district ladder. A pass from Jimmy Payne to Spencer and the extra point by Newberry sent the Bucks home from Brownwood with new hopes for a conference title and a strong belief in the adage that 'A Team That Won't Be Beat Can't Be Beat.'

**THE CORSICANA GAME.** The Bucks' magnificent defense hit on all cylinders and blasted Corsicana out of the Class AA schoolboy playoff by a more decisive margin than the 12-0 score would indicate. Both scores were the results of perhaps the most spectacular playing the Blue and Gold had ever played host to in a Bi-District game. Jimmy Spencer pulled the play-of-the-day by swiping the pigskin from the hands of a Tiger ball carrier and sprinting 28 yards to the double-stripe for the first tally. Harley Rodgers caught Payne's 21 yard pass for the second score, and Harry Dean sparkled in his new fullback role. Hammerin' Harry bulldozed through the line for a series of steady gains which set up the Bucks' second touchdown. Exemplifying the words of their fight song, the Buckaroos surely 'fought on for their fame!'

# Basketball

The Buckaroo's 1948 basketball season was one of the most thrilling in years. Viewed from the scoreboard only, it would not be counted a successful season, for the Bucks ended with seven wins and five losses. But judged by the brand of ball played, and the close exciting games it could be labeled highly satisfactory. Included in the win was a victory over the undefeated Brownwood Lions. Although the Bucks had a fine season they probably would have suffered fewer defeat had they not been delayed by post season football.

Bilhartz scores two points for the 'B' team.

The Coronation of the Queen of the Buckaroo Kingdom is one of the most eagerly anticipated events of the school year. Preceding the date set for the event, elections are held; the favored ones become preoccupied with details of dress and decorum. The Annual staff wears a harassed look, and often a smudge of paint, as the staging takes on a more definite form. Finally the night arrives and with it, the grand assemblage of Her Majesty's Court. The brief ceremony, followed by entertainment from musical groups concludes the program for the public. But for the participants there is hurried picture-taking and leave-taking to the Country Club where the Queen's Ball is in progress.

The Air Scouts is a comparatively new branch of the Boy Scouts of America -- yet the Air Scout Squadron 63 is making rapid progress in learning the principles of the air industry from meteorology to aerodynamics. The squadron has recently acquired a building which it will convert into headquarters for local Air Scouting activities. Other activities included in their 1948 program are participation in youth week and the annual Senior Scout Bivouac at Camp Tonkawa near Abilene.

A salute to our Squadron Leaders.

# 'B' Club

Two 'B's' in love set

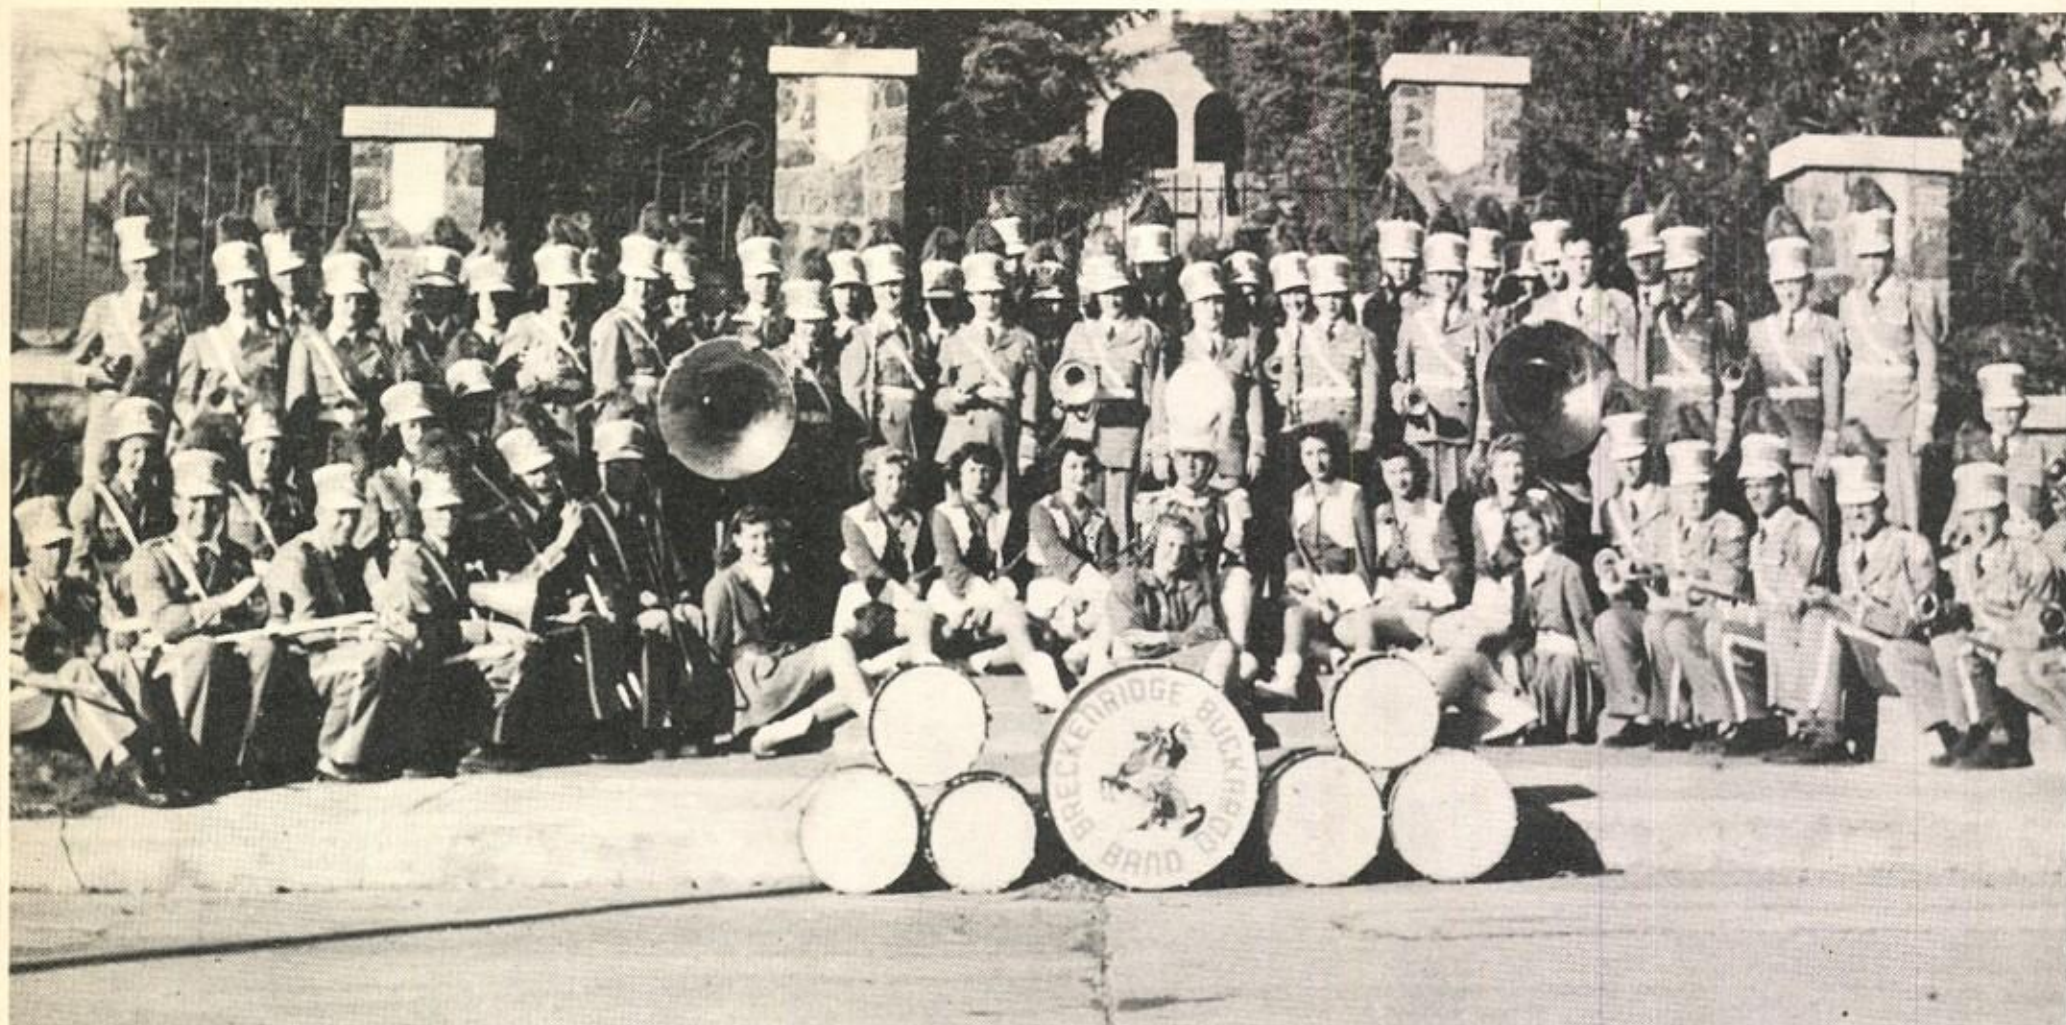

The B Club is the only purely honorary club on the campus. The members are not asked to join it; they earn the privelege first - and then - presto! They are in. This energetic group arrived at membership by varied routes -- some with nimble fingers or facile tongues, others with cooperative brawn and brain, or their knowledge of agriculture, and some by the beat, beat, beat on the big bass drum. No matter by which accomplishment the end is still the same, a big white 'B' to complete their wearin' of the green.

The Buckaroo Club was organized as a planning period for all the departments of the annual staff. There the photography, lay-out, and art editors confer to improve lay-out and photographic effects. The sales division and the booster group balance budgets and rehearse sales talks to use on the unsuspecting public. The Coronation of the Buckaroo Queen is their outstanding project and a tradition as old as the annual itself. The Staff is particularly proud this year to display an honor rating from both the Texas Scholastic Press and the National Scholastic Press Associations.

'Science Marches on' with added realism and a much more definite meaning for some twenty odd Breckenridge High School students. Their club period is used for bringing in odd facts and observations of their own to discuss with each other. It also affords them time to review picture shows and make additional experiments. 'All the world's a stage' is more than a quotation to the students of dramatics. For them the stage becomes a highly interesting world of their own where they can portray, with equal skill, light comedy, or serious drama. Their programs are packed with informative and interesting news about stage personalities, the best Broadway productions, and stagecraft. This club has a long and successful history behind it that keeps it always on tip toe. They are the producers of the contest play, and whether it gets to State or not, it is always one of the best.

Wondering what that is floating about the campus under the big broad Stetson? It is -- but naturally -- an F. F. A. boy on his way to the Fat Stock Show. The Future Farmers of America, one of the few national organizations on our campus prides itself in its knowledge of Parliamentary law, of soil conservation and of live stock and poultry. Theirs are the blue and gold clad figures, faithfully dispensing cokes and snowcones at every football game. Culminating the years activities is their annual barbecue -- chuck wagon fashion -- where the cattle man and his youthful imitator mingle in true Western hospitality.

Why buy a new handtooled leather belt when you can make it yourself? The members of the Industrial Vocational Arts Club have learned the modern methods of tooling leather. They make anything from bookends to key cases, from purses to bookmarks. Under Mr. Newsom's instruction they whittle, stamp, and polish until their products look like the works of experts. Is it any wonder that they are often stopped by envious glances and wistful remarks as: 'How do you get to belong to that club?'

Sh-h-h! They're creating!

Each week these future journalists -- members of the Ready Writers' Club -- climb the stairs to Room 18. There they are instructed in the art of creative writing. Although a 1947 member won the state championship the club is not resting on its laurels, but is quite busy preparing to uphold its reputation in this year's league events. Though this, of necessity, is a small club, it is big in its accomplishments.

Members are BAKER, HARRISON, YATES, KELLEY, BENSON, CURD, Sponsor: MRS. JOHN F. BAILEY.

# League Events

Going out for TENNIS, coached by Miss White, are Claire Waller, Mary Hood, Betty Ferguson, Mary Hallauer, Charles Rowin, John Buchanan, Prescott Maxwell, Bill Duncan, Pat Thompson, and Jack Jones. All of this group is new, with the exception of Betty Ferguson, who went to state last year.

Mrs. Bailey is sponsor of the READY WRITERS contestant, Winifred Yates. We hope Winifred is as lucky as last year's contestant, Marie Davis, who won at state.

Harold Warford, Mitchell Greer, Bobby Huffman, Billy Waldrop, Odell Hilton, Bryce Harrison, Sonia Curd, and Mike Earney are the DEBATERS, sponsored by Mr. James. Of this group Mike is the only experienced debater, another of 'the ones to reach state.'

# League Events

Birly Hill, Mike Earney, Milly Myers, Celia Weatherford, Cooper Robbins, Jr., Jimmy Anderson, and Sue Spratt are the cast of the CONTEST PLAY, directed by Miss Ratliff. With the new play 'Special Guest', by Donald Elsner, and this excellent cast we are anticipating a success.

Mrs. Smith is sponsor of the SHORTHAND contestants, Helen Shield, Mary Ann Musgrove, Delores Wilks, Patsy Miller, and Frances Fite. To keep the reputation of this department up to par these too must reach state.

Mrs. Cates is entering Jerry James, Jean Weatherford, Sue Spratt, Arthur Simpson, Jr., Jamie Bilhartz, and George Webber in the senior DECLAMATION contest. George, Arthur, Jamie, and Sue made a commendable representation at the Hardin Simmons University Speech Clinic. Jean, Sue, Arthur, and George later participated in the Baylor Speech tournament.

The rhythmical hum of machinery, well-oiled and scrupulously cleaned, is the voice of the Vocational and Industrial Club. Whether these boys are rejuvenating the tired chassis of a worn school bus or exchanging data on job opportunities, they pass from one job to another with a readiness that speaks of genuine interest and liking for the material at hand.

Time out for eats.

Did you ever see anyone look as happy as Harry and Suzie when they're together?

One of the new faces around Breck Hi is Irelene Ledbetter. Mr. Bailey's secretary.

'Who, me? I don't want my picture taken,' Gerry says.

Doesn't Joann look pretty? She wasn't expecting this at all -- at least that's what she said.

One of Breck Hi's most famous twosomes, La Vaughn and Pat pause a moment to pose for this cute snap.

'You have to be a football hero to get along with the beautiful girls.' Harley and Doodie should have no trouble here.

Now, Jimmy, the sign says 'Stop' (But aren't we glad he didn't stop on the football field?)

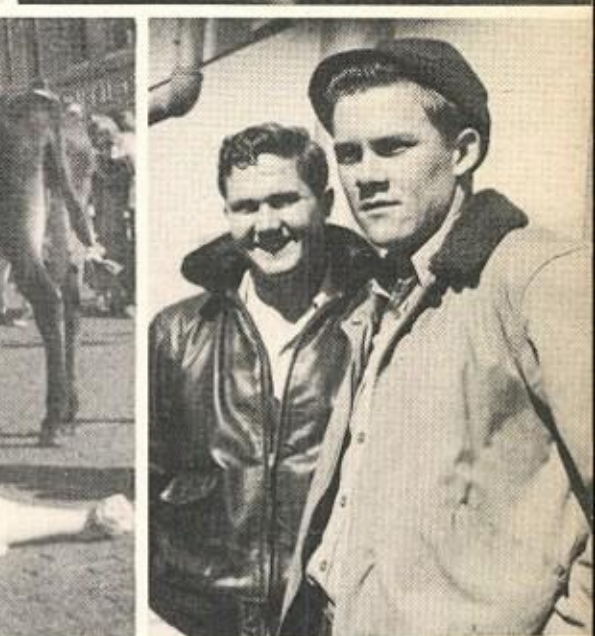

Cave man technique demonstrated by Polly and Phil -- with Polly getting the worst of it.

The students give three cheers via station 'Kan't Stop The Buckaroos.'

Some people like dogs; some like cats, but give Jamie a fish (dead or alive), and he'll be happy.

Jerry and Dorothy pose for the camera, and they don't seem to mind at all.

The girls who went from Breckenridge to Girls' State were Joann, Celia, Cornelia, and Winifred.

Neal and Arnest don't like to have their pictures made either. Just look at those dark glasses.
